SCHEDULE:

As agreed by the Parties in collaboration. Additional details may be added to this Schedule to clarify expectations.

Project Scope and relevance to PhD research project:

Outline the Organisation's R&D challenge and the Research Internship project plan. Indicate the project scope and the R&D activities to be undertaken. Please include a statement of how the planned project relates to the PhD research area.

Comment:

List specific tasks and expectations in the project plan to facilitate the Student's application of theoretical and other knowledge in a practical setting. Establish how publications or public disclosure of aspects of the internship project will be managed.

Comment:

Outline provisions for IP licencing, claims and ownership. Append Student Deed if the student is required to assign their IP.

Comment:

Attendance and participation:

Please state the duration of the Internship within the start and end dates stipulated as given in Item 2 and 3, as well as the expected attendance and engagement format in Item 5 and 6. Each student will need to keep a record of the 'days of engagement' summed up in full-time equivalent (FTE) days. The latter are defined as the number of hours per standard work day in that industry and may include non-business days: so a student spending 3.5hrs on Mon + 2hrs Fri + 2hrs Sat = 7.5hrs or 1FTE (public service standard day).

Comment:

Reporting and reflection:

All reports must be completed within one week of the End Date of the Research Internship [specify any additional reporting requirements with a deadline however all reports are to be finalised within one week after the End Date]

Comment:

Student Reports:

- On completion of the Internship the Student must submit a ratified timesheet (can show the breakdown of hours spent) but must be tallied up as a minimum of 60 standard FTE days (as defined in that industry) ideally approved by the Organisation Representative, such as the Internship Supervisor at the Organisation.
- Report on the Project outcomes – Final Report (detailing the work undertaken in the Internship and the outcomes, may be confidential) and a Summary Report (to demonstrate the high level outcomes of the Internship, must not contain any confidential information).
- Reflection report on their learning and skills development outcomes.

Organisation

- On completion of the internship, the organisation will provide to the UWA Co-ordinator a statement on the impact and an evaluation of the R&D project (not of the Student) suitable for use and publication by UWA.

Payments

Under the FairWork Act this is a Vocational Placement and is lawfully unpaid, however, the Organisation may elect to contribute a stipend Scholarship to the Student for the duration of the Internship. For Payments to the Student [please set out the total amount payable to the Student and provide invoicing details, noting that UWA will invoice the Organisation and arrange for payment of the Scholarship to the Student]

Amount:

The Parties agree that the Research Internship will:

- (a) Commence on the date specified in Item 2 and end on the date in Item 3, unless a change is agreed in writing
- (b) Be adequately supervised in day-to-day activities by Internship Supervisors employed in the Organisation
- (c) Be completed during the time specified (Item 5-6) and the Student will keep and maintain accurate and reasonably detailed time-keeping records in connection with participation in the Internship. The final record of the hours and days will be endorsed by the Organisation and then submitted, along with all other final reports and reflections, to the Graduate Research School to fulfil the Internship requirements at UWA [timesheets must be verified by the Organisation]
- (d) Ensure all Internship reports are completed in a timely manner and copies circulated for endorsement and filing by all Parties
- (e) Be solely for the Student and Organisation to gain familiarity with each other's expertise and primarily for the Student's education, and that there is no intention to create an employer/employee relationship
- (f) Ensure all Internship reports are completed in a timely manner and copies circulated for endorsement and filing by all Parties

I, the Student named above, acknowledge I will be participating in a student placement ("**Placement**") at the placement provider named above ("the **Organisation**"), which is administered by The University of Western Australia ("**UWA**") for the purposes of completing the Course named above.

By signing this Deed, I hereby agree to the following in relation to the Placement I will be undertaking at the Organisation:

- respect and abide by the rules, policies and procedures and general standards of the Organisation, including all relevant health and safety rules and regulations advised to me;
- diligently follow and obey all lawful instructions that the Organisation gives me during the course of the Placement;
- comply with any obligation of confidentiality required of me by UWA or the Organisation. I understand and acknowledge that any such confidentiality obligation may delay me publishing scholarly works except as may be permitted by UWA. I understand that UWA will arrange for my scholarly works to be assessed in confidence in these circumstances, so that I may fulfil the requirements of the degree I am enrolled in;
- any intellectual property developed by me during the course of the Placement is owned by the Organisation, except for copyright in any work I create for assessment (including my thesis). I am aware that by signing this Deed, I am transferring intellectual property rights to the Organisation; and
- not to do or omit to do anything that would adversely affect UWA's reputation and standing.

I acknowledge the Placement provides me with a supervised opportunity to achieve competencies within the Organisation's workplace applicable to my Course. I am not an employee of the Organisation and am not entitled to any payment from the Organisation for the Placement, except for any agreed stipend or reimbursements.

I am aware of my right to seek independent legal advice before signing this Deed and have either done so or waive that right.
